3-2-1 Complex Numbers: Conjugate and Division

3 Things I Learned Today …

How to find the conjugate.
How to divide complex numbers.

2 Things I Found Interesting …

~~what is~~
A conjugate

1 Question I Still Have …

None

3-2-1 Complex Numbers: Conjugate and Division

3 Things I Learned Today …

- $i = \sqrt{-1}$
- If u multiply complex by conjugate u get real number

2 Things I Found Interesting …

all of it

1 Question I Still Have …

how to multiply

3-2-1 Complex Numbers: Conjugate and Division

3 Things I Learned Today …

Complex Conjugates and divide complex numbers.

2 Things I Found Interesting …

Everything.

1 Question I Still Have …

3-2-1 Complex Numbers: Conjugate and Division

3 Things I Learned Today …

The division with conjugates

2 Things I Found Interesting …

The conjugates.

1 Question I Still Have …

I don't have

3 Things I Learned Today …

I learned how to multiple conjugate numbers

2 Things I Found Interesting …

1 Question I Still Have …
