# VISION 2025

You spoke to us...

# ... And we *listened!*

At the beginning of 2022 we asked over 200 local residents, service users, stakeholders, staff and volunteers about the needs of East Belfast, feedback on the Mission and what we need to prioritise in the future.

This is what you said about East Belfast Mission:

**"It cares for those who are *vulnerable* and on the *edge of society*."**

**"It's an *absolute lifeline*."**

**"It's a *great resource* to people living in *East Belfast*."**

**You told us the community needs help with:**

- Young People
- Mental Health
- Homelessness
- Employability
- Poverty
- Reconciliation

***...So, this is what we're doing about it***
