**Gníomhaíocht is ea é seo a bheas bunaithe ar an tsúgradh agus é d'aidhm againn soláthar tumthach gluaiseachta atá sultmhar a chur ar fáil do pháistí agus iad aghaidh súgradh agus le húsáid shóisialta na Gaeilge a dhaingniú. Is buntáiste é an súgradh tumthach do pháistí ar bhonn pearsanta, sóisialta, mothúchánach agus i dtaca lena bhforbairt chognaioch de agus tacaíonn seo leo i dtreo na líofachta. Lena chois sin, cuirfidh sé le húsáid na teanga ó ghlúin go glúin sa bhaile agus tacóidh sé le forbairt iomlánaioch agus oideachasúil do pháiste.**

**This will be a play-based activity with the aim of increasing immersive fun-based movement provision for toddlers to play and embed the social use of Irish. Introducing immersive play experiences for children at the earliest opportunity will benefit your child's personal, social, emotional and cognitive development whilst assisting their journey towards language fluency. In addition, this will add to intergenerational family language transmission in the home and also support your child's wider, holistic, educational development.**
