Enough time to suspend me yet not to respond to my complaint to NUIG security that put my life and others at risk?

You consider yourself and educator?

Subject: Request regarding inaccurate suspension

Níor tugadh cuireadh teagmháil ná freagairt ar mo cheisteanna cuí.

Cén fáth sin?

Resources á n-úsáid i m'aghaidh?

Ádh mór leis sin...

I await the appropriate response to my questions, ones that acknowledges my contributions to our University.
