Forgot to add your promises and accusations of me, Professor. Find attached.

This University has 1.5 months to clear this up. Or my solicitor will be in touch.

P.S. I represent myself.

Ba náire sibh.

2011-2024 I have been the strongest educator of my peers and my lecturers.

I will not be gaslit out of existence.

Because of YOU Professor Meehan and NUIG Security I am constantly deemed a rapist, a paedophile all of the above... my sister's deserve the University of Sanctuary that you advertise.

I am a Deacy Galway, you (no offence) are not.

Mise le meas agus díomá,

The guy you blamed for loads of stuff then forgot about then blamed for getting back in touch and then never processed the complaint of and now have left slandered and defenceless.

Subject: Further slander and bullying and hate crimes deeming me a threat when I am innocent

First of all, your requirement in this attachment o force me only to email this address was a felony.

Third of all, your might remember me a bit better if you read this attachment.

Second of all, you forgot to tell everyone on campus that a) the suspension was cautionary b) I was in Belfast at the time c) wasn't a threat to anyone including myself obviously d) I keep being bullied by randomers and blow-ins and the psychological damage is irreparable.

e) You never even processed my complaint

f) Who do you think you are?

g) The best Dean of Students in a while, much better than John Hannon, and he was removed because he tried something similar against me.

h) You owe me an apology.

I am so traumatised from academia because you Professor Meehan, you are so lucky that I'm an expert in.

My sister is returning from Erasmus soon, and my other sister is going into Leaving Cert and will be here the year after.

How will you prove to me that I shouldn't shut this place down for their protection?

Find evidence attached.
