26 November 2024

Dear Cian

Student Number: 40455997
Reference: Outstanding Tuition Fees
Balance: £1,423.75

Despite communications sent in the last 21 days, you still have outstanding tuition fees which are overdue, and payment is required immediately. The amount outstanding is £1,423.75 and further details can be found in your Qsis Self Service Centre or by clicking [here](#).

Please make immediate arrangements to pay all outstanding tuition fees in full. If your outstanding tuition fees are not paid in full by 2nd December 2024 a restriction will be placed on your student account which will restrict your access to your Canvas Virtual Learning Environment and the University Library.

Details of how to pay your outstanding tuition fees are available at the following link:
<https://www.qub.ac.uk/Study/Feesandfinance/pay-tuition-fees/>

We have made attempts to remind you of your outstanding fees debt since you registered at the University. In doing so, we have tried to provide you with sufficient time and warning to put payment arrangements in place. Each time we have contacted you to advise of your need to pay your fees, we have encouraged you to engage with the University and to put a payment plan in place to avoid this action of restriction to Canvas VLE and the Library.

We are here to help you make your fees payment to the University to allow you to meet your contractual obligations and to continue with your studies. We strongly encourage you to contact us by the following link [Service Requests | My Queen's | Queen's University Belfast \(qub.ac.uk\)](#) and log a request in the Fees and Finance menu or by phone on 028 9620 2020 or 028 9097 2855.

In certain circumstances, students in financial difficulties may be able to apply for assistance from the University. Please refer to <https://www.qub.ac.uk/Study/Feesandfinance/student-financial-support/> for further information.

If you have withdrawn from the University, please confirm this in writing to your School or Institute as a matter of urgency.

Yours sincerely
Student Finance Office
