 UCL Statutory Requirements for PGCE Secondary and Further Education.pdf 126 KB

UNIVERSITY COLLEGE LONDON

Dear Cian,

- Student Number: 25132196
- Programme: PGCE COMPUTING WITH ICT

We have not yet received all of your statutory requirements that were listed in your offer. If showing your original degree certificate is the only requirement left to meet, you can do this by attending an in-person appointment in September. Instructions on how to book your in-person appointment will be provided to you in August once you have met all statutory requirements and are ready to enrol. You must have completed all the necessary outstanding actions before you attend this appointment.

All outstanding checks are listed below:

- We are awaiting either 1 or 2 acceptable references from your nominated referees. If you need further information please contact ITE Admissions on (0)20 8059 0939, or use the Graduate and Teacher training admissions contact form <https://www.ucl.ac.uk/prospective-students/graduate/admissions-enquiries>
- Occupational Health clearance: Visit Applicant portal for your status
- All students who have lived, worked, studied or travelled in a country outside of the UK for six months or more, in the last five years, will be required to obtain a Certificate of Good Conduct from that country. Please note that the police check should be applied for within one month of your departure date, if you are still in the country, to ensure the police certificate issued covers the period you were in the country. Please obtain certificates and upload them to the UCL Portal

Once we have received evidence that you have met these requirements, we will need to check these manually. Once this is completed, we will be able to confirm your place at UCL. Only applicants who have provided proof of meeting all conditions of their offer and statutory checks will be able to enrol and access online activities, resources and facilities,

Please check the [UCL Applicant Portal](#) to see what requirements remain outstanding. You must meet all statutory requirements as soon as possible and by no later than **22 August 2025**.

If you think you have already met any of the statutory requirements listed above:

If you have already uploaded information to the UCL Applicant Portal to meet the statutory checks, but they are still showing in the

list below then please be aware we are still working through the documents submitted. We will update your statutory checks as soon as we can – please note that it is a busy time of year and checking each document can take some time. Please do not call us if we have not yet checked your document, we will get to this. Your Applicant Portal statutory checks page will be updated once they are cleared. If you are having any difficulties or concerns about meetings any of the requirements, please contact Admissions via: <https://www.ucl.ac.uk/prospective-students/graduate/admissions-enquiries>.

If you decide not to take up your offer of admission to UCL please let us know as soon as possible. Please include your full name and UCL Student Number (25132196).

Kind Regards

ITE Admissions
